

Basic Needs

Pets are part of our family. They depend on us to take good care of them. In return for good care our pets offer us a life time of friendship and love. Under the pictures below color in the hand print of what you need everyday. Then, color in the paw print of what a pet needs everyday.

How many places did you color in both the hand print and the paw print?

This coloring page was inspired by a dog named Maddie, the frisky, energetic, loyal and loving companion of Cheryl and Dave Duffield. Because of their enormous love for Maddie, the Duffields started a foundation called Maddie's Fund[®] to save the lives of dogs and cats throughout the nation.
