

Maddie needs your help. She wants to share some of her toys with her animal shelter friends, but she doesn't know who to give them to. Please help Maddie by coloring in the toys. After you are finished, cut the squares out using scissors. Ask an adult to help you if you need help. Glue them on the page where Maddie's Friends are dreaming about their favorite toy.

Maddie says "Its fun to share!!"

This coloring page was inspired by a dog named Maddie, the frisky, energetic, loyal and loving companion of Cheryl and Dave Duffield. Because of their enormous love for Maddie, the Duffields started a foundation called Maddie's Fund® to save the lives of dogs and cats throughout the nation.
